**Subject:** Invitation to register to ICAO Courses – 2021

Sir/Madam,

I am pleased to update you on the schedule of ICAO-recognized courses to take place in 2021. Over 300 training sessions have been scheduled to support the needs of Member States. By enrolling to these courses, your staff will gain access to standardized ICAO trainings as well as improve their competencies in each of the operational and/or technical areas.

Enclosed you will find a list of confirmed training sessions to be held this year either in a virtual classroom or face-to-face classroom format, hosted by ICAO's Global Aviation Training Section as well as TRAINAIR PLUS Programme Members. I am also including a list of courses which were developed to support the recovery and resilience of the industry from the COVID-19 Pandemic.

It should be noted that the list of courses and schedule of deliveries is being updated on an ongoing basis. To obtain the latest schedule of courses and to register online, please visit the Global Aviation Training online catalogue at <http://www.icao.int/training/Pages/Training-Catalogue.aspx>.

If you require any additional information, kindly visit the ICAO Global Aviation Training (GAT) website <http://www.icao.int/Training> or contact the GAT team directly at [aviationtraining@icao.int](mailto:aviationtraining@icao.int).

Please accept, Sir/Madam, the assurances of my highest consideration.

Yours sincerely,

Manjit Singh  
Acting Regional Director
