CIVIL AVIATION AUTHORITY OF FIJI

NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on amendments to the Standards Document - Air Traffic Services (SD-ATS).

The amendments to the Standards Document - ATS align with the latest provisions of ICAO Annex 11 Air Traffic Services, including Amendment 53.

Amendment 53 to Annex 11 relates to the following:

- 1) Amend Standards and Recommended Practices (SARPs) concerning the implementation of the Global Aeronautical Distress and Safety System (GADSS) concept; and
- 2) Amend the definitions of “flight plan” and “current flight plan” as a consequence of initial implementation of the flight and flow — information for a collaborative environment (FF-ICE) services.

This applicability date for this amendment is **15 February 2025**.

We invite your participation in a 2-week consultation process ending **15 October 2024**. Please submit your feedback using **Form QA109** to the Standards & Compliance Department via email to compliance@caaf.org.fj. The Effective date for this amendment is 15 December 2024.

The draft Standards Document - SAR can be accessed via <https://caaf.org.fj/industry-consultation-process/consultation>

We appreciate your contribution to improving aviation safety and security in Fiji.
