

ISO 9001: 2015 CERTIFIED
CIVIL AVIATION AUTHORITY OF FIJI

NOTICE TO ALL AVIATION STAKEHOLDERS

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on proposed amendments to the Standards Document for Operation of Aircraft Part III – International Operations - Helicopters.

The Standards Document for Operation of Aircraft Part III – International Operations – Helicopters aligns with the latest provisions of ICAO Annex 6 Operation of Aircraft Part III – International Operations - Helicopters, including Amendment 25.

Amendment 25 to Annex 6, Part III arises from recommendations of the fourth meeting of the Air Traffic Management Requirements and Performance Panel (ATMRPP/4). The amendment is consequential and concerns the initial implementation of the flight and flow — information for a collaborative environment (FF-ICE) services. It addresses the new definitions to flight plan, updated along with clarification of the references to flight plans in the relevant parts of the Annex.

The applicability date for this amendment is **15 February 2025**.

We invite your participation in a 2-week consultation process ending **15 October 2024**. Please submit your feedback using **Form QA109** to the Standards & Compliance Department via email to compliance@caaf.org.fj . The Effective date for this amendment is 15 December 2024.

The draft Standards Document - Operation of Aircraft Part III – International Operations – Helicopters can be accessed via: <https://caaf.org.fj/industry-consultation-process/consultation>

We appreciate your contribution to improving aviation safety and security in Fiji.
