

**CIVIL AVIATION AUTHORITY OF FIJI**

## **NOTICE TO ALL AVIATION STAKEHOLDERS**

The Civil Aviation Authority of Fiji (CAAF) is seeking industry feedback on the Standards Document - Aeronautical Telecommunications Volume III – *Communications Systems, Part I – Digital Data Communications Systems*.

The amendments to the Standards Document - Aeronautical Telecommunications Volume III – Communications Systems, Part I – Digital Data Communications Systems align with the latest provisions of ICAO Annex 10 *Aeronautical Telecommunications Volume III – Communications Systems, Part I – Digital Data Communications Systems*, including Amendment 92.

Amendment 92 relates to the 24-bit aircraft address and a consequential amendment regarding system-wide information management (SWIM) and information security to Annex 10 — *Aeronautical Telecommunications Volume III – Communications Systems, Part I - Digital Data Communications Systems* for applicability as of **28 November 2024**.

We invite your participation in a 2-week consultation process ending **19 July 2024**. Please submit your feedback using **Form QA109** to the Standards & Compliance Department via email to [emsc@caaf.org.fj](mailto:emsc@caaf.org.fj). The Effective date for this amendment is 16 August 2024.

The draft Standards Document - Aeronautical Telecommunications Volume III – Communications Systems, Part I – Digital Data Communications Systems can be accessed via <https://caaf.org.fj/industry-consultation-process/consultation>

**We appreciate your contribution to improving aviation safety and security in Fiji.**
